

# LED NEON BORDER WARRANTY

Morgan Hope USA warrants to the Purchaser (invoiced by Morgan Hope USA) that each Product manufactured and sold will be free from defects in material and workmanship in its intended use for the period of five years from date of Purchaser's purchase (the Morgan Hope USA invoice date) . The Morgan Hope USA warranty extends only to Purchaser. If any Product covered by this warranty is returned by the Purchaser in accordance with the Morgan Hope USA Products Return Policy, and upon examination Morgan Hope USA determines to its satisfaction that such Product was defective in material or workmanship, Morgan Hope USA will, at its discretion, repair or replace the Product or the defective part thereof, or reimburse Purchaser for the purchase price. If Morgan Hope USA chooses to replace the Product and is not able to do so because it has been discontinued or is not available, Morgan Hope USA may replace it with a comparable product of its choice. The foregoing notwithstanding, Morgan Hope USA will not be responsible for damage to any Product resulting from improper installation, acts of God, Thermal contraction and expansion, fire, vandalism or civil disturbances, power surges, corrosive environment, or result ing from repairs or alterations made by any person or firm not duly authorized by Morgan Hope USA in writing. Purchaser shall convey with each Product distributed to end users this MORGAN HOPE USA LIMITED WARRANTY. If Morgan Hope USA determines that the appropriate remedy for a defective product is refund of Purchaser's purchase price, Purchaser shall refund to the end user the full purchase price paid by the end user for such defective Product. Morgan Hope USA's liability to the purchaser extends only to the invoice price paid for the product and does not include installation costs.

This five year warranty extends only to those purchasing the segmented LED kit system. This system includes, LED neon manufactured and factory sealed to custom fit the intended location, and the designated power supplies. Input power to the power supplies is required to include adequate surge protection designated by Morgan Hope USA.
